

## Clap and Count Syllables – Pri-ma-ve-ra

To play *Clap and Count Syllables – Pri-ma-ve-ra*, print the game board and print and cut out the picture cards. Place the cards face down in a pile near the board. The youngest player begins by drawing a card and saying the word. Adults or older players can read the word and help children pronounce it. The player says the word again as she claps for each syllable. Then she moves the number of spaces on the board that there are syllables in the word. The card is placed in a discard pile and it is the next player's turn. If you play with more than two players, you may need to make more cards or shuffle the discard pile and use the cards again.
