¿Dónde está? Song Activity

Number of Players: 2 or more

Materials Needed: Any vocabulary flashcards.

Instructions:

- Pass out vocabulary cards to each person. If you have only 2 or 3 people, give each person 2 or 3 cards. If you have a bigger group, give each person 1 card.
- Stand in a circle.
- Together sing to the tune of, Here We Go Round the Mulberry Bush
 - ¿Dónde está _____, _____, _____?
 - ¿Dónde está _____?
 - Estoy aquí.
- Fill in the blanks with ONE vocabulary word.
- When you all sing "Estoy aquí.", the person with that card steps to the middle of the circle and holds up her card.
- Continue singing the song until you have done all the words.

Variation:

- If you are using Spanish for You!, then doing all 16 vocabulary words in a lesson may be too many, take too long.
- An alternative is to choose 6 to 8 words and give one of each of those flashcards to students.
- Those students stand in a line in front of the class.
- The whole class, including the students in front, sing the song.
- When "Estoy aquí" is sung, the student in the line holding that card steps forward and holds up his/her card.
