Timed Charades

Number of Players: 4 or more

Materials Needed:

- timer
- vocabulary flashcards

Instructions:

- Split into two teams of at least two people each.
- Give each team a stack of vocabulary flashcards.
- Set a timer for 1 minute.
- One player from one team begins picking up flashcards and acting them out. Other player(s) on that team guess.
- They try to guess as many words within the one minute.
- Play then goes to next team.
- The team that guesses the most words within their one minute wins.
- Or play several rounds adding points. Team with most points at end wins.

Variation:

If you have a large class, then have teams paired so that one team plays against one other team.
