Vocabulary Relay Race

Number of Players: 2 or more

Materials Needed:

- four identical sets of vocabulary picture cards, 10 or more per set

Instructions:

- Lay two sets of vocabulary picture cards on a table face up.
- Divide players into two teams and line them up on the other side of the room.
- Give one player on each team a stack of vocabulary picture cards.
- Say "¡Empezamos!" (We begin!)
- The player on each team holding the cards says the word for the first card in their stack to the first player in line without that player seeing the card.
- The first player in line on each team walks quickly to the table to retrieve that picture card.
- He/she walks back with the card and gives it to the player calling the words who sets the pair down if it is correct.
- Play continues like this until the first team retrieves all their cards correctly.
- That team wins.
